

HOW TO USE CREDIT CARD/PAYPAL WITH ST. LOUIS SKI CLUB

The St. Louis Ski Club does not profit at all from anyone using PayPal as a method of payment; it is simply a means of paying for a trip that allows you to use your personal checking account, a credit card, or the PayPal option called **Bill Me Later**. The use of any of these three options will add 2.9% (.029) to the cost.

1. On the St. Louis Ski Club website, open the page *Online Trip Payments*. Click *Add to Cart* for the item(s) you want. You will have the option of removing any items you may have mistakenly entered. Be sure to check the number of items and the amounts before checking out.
2. When your shopping cart shows exactly what you want, click *Check Out* or *Check Out with PayPal*; either of these will take you to the same page with a caption, "**Choose a way to pay**". If you have a PayPal account, your email address may appear in the email space and you will be asked for your password. If you do not have a PayPal account and prefer to use a credit card, then click on "*Don't have a PayPal account?*" This will take you to another screen where you will have the option of paying with PayPal or paying with a debit or credit card, or **Bill Me Later**. The **Bill Me Later** option does require that you have a PayPal account and it offers up to six months to pay the amount charged with no interest due for qualifying members.
3. If you choose the **Bill Me Later** option, complete the screen as directed and at the bottom, click on *Sign Up and Continue*. If this is your first use of **Bill Me Later**, you will be asked to enter your date of birth, the last four digits of your social security number, and then accept the terms. The process is completed very quickly. If, for some reason, your **Bill Me Later** option fails to go through, call this PayPal Customer Support number for help: 1-866-528-3733.
4. Be sure to complete the online fillable application form and mail to St. Louis Ski Club, P. O. Box 4343, Chesterfield, MO 63006.
